Scrolling down past the French level placement test, you can choose some recommended French exercises (they will be different depending on the level that you choose at the top of the page). You can also sort by theme (Thèmes).

If you would like to look at all the available exercises, you can scroll down to the bottom of the section and click the button that says See All Exercises (Voir tous les exercices).

Here you can filter the exercises by choosing topics on the sidebar.

Résultats de la recherche

The screenshot shows a search results page. At the top, it says '921 résultats' and has a search bar with the placeholder 'Votre recherche par mot(s) clé(s)...'. To the right of the search bar is a magnifying glass icon and a button that says 'Enregistrer ma recherche'. Below the search bar is a sidebar with the title 'Filtres' and a 'Réinitialiser' link. Under 'NIVEAUX', there are four options: 'A1 débutant (193)', 'A2 élémentaire (214)', 'B1 intermédiaire (320)', and 'B2 avancé (194)'. The main content area shows a search result for 'Aya Nakamura, ambassadrice de la langue française?'. The result includes a video thumbnail with the title 'OH DJADJA' and 'SÉRIE D'EXERCICES'. To the right of the thumbnail are two buttons: 'nouveau' and '11 jours'. Below the thumbnail is the text 'Aya Nakamura est une icône de la chanson française. Pourquoi parle-t-on d'elle dans ce reportage? Regardez la vidéo et choisissez le résumé correct. ...'. At the bottom of the result is a button with 'B2' and the text '4 : ÉCOUTER • VOCABULAIRE (LANGUE / MOTS FAMILIERS • REGISTRES EXERCICES DE LANGUE)'. At the very bottom of the result is the text 'MUSIQUE / 7 JOURS SUR LA PLANÈTE'.

Another way of doing this is going to the very top of the page and pressing Exercises, then choosing your level of French under Niveaux.
